

*Nueces County Junior Livestock Show
Volunteer Form*

Get Involved!

It takes a great many people working together to put on the Nueces County Junior Livestock Show. On pages 6-11 of the NCJLS Rule Book various committees are listed. This show would not be possible without the hard work of these people and for that we are very grateful!

As the show continues to grow, additional help is always welcome from anyone interested in supporting the NCJLS. With the number of exhibitors now enrolled in the Show, we hope that they and their parents will consider getting involved with the “behind the scenes” activities. In addition to the committees listed in the NCJLS Rule book volunteers are needed to help with the parade, school tours as well as work in our information/retail booth to name a few. The volunteers are the people who go the extra mile, giving their time, talents and energies to further benefit the youth of Nueces County.

Take a few minutes and consider what you can do to give back to the Show. If there is an area you would like to be a part of, please return the form below to the Nueces County Junior Livestock Show Office.

Thank you,
NCJLS
